

design specs 2026

RideReach 1.66 pixel pitch display

Accepted formats

- JPG (static)
- PNG (static)
- MP4 H.264 (video)

Avoid: rapid flashing, strobing, low-contrast text... keep it bold, high-contrast – designed to read at 10-30 ft at speed

Don't have an ad?

RideReach has contracted with Blink Studio to create your static or video ad to the RideReach spec -- for just \$299.

The RideReach team will handle everything.
